SUMMARY

Motivated B.Tech Computer Science Engineering student specializing in Data Science (CSE-DS) at GGSIPU, combining a strong foundation in data management, software engineering, and full-stack development. Passionate about building modern, scalable web applications and intelligent data-driven systems using JavaScript, Python, React, Next.js, Node.js, Vue, and FastAPI. Demonstrated leadership background as Head Prefect, paired with hands-on experience in technical writing and campus outreach.

TECHNICAL SKILLS

- **Frontend & Web:** JavaScript, React.js, Next.js, Vue.js, HTML5, CSS3, Tailwind CSS
- **Backend & APIs:** Python, FastAPI, Node.js, RESTful APIs
- **Databases & Cloud:** MySQL, Google Cloud (GCP), Git & GitHub, Vercel, Docker
- **Data Science & Tools:** Data Analytics, Pandas, NumPy, Algorithm Design, Python ML Stack

EXPERIENCE

- **Bunktobrainz** | Campus Ambassador
 - *September 2026 – Present (Delhi, India)*
 - Representing and promoting tech initiatives on campus, fostering collaborative learning communities, and driving student engagement.
- **Soul AI** | Web Content Writer
 - *April 2025 – December 2025 (India)*
 - Authored technical web content, articles, and documentation focusing on AI trends, software engineering tools, and data-driven solutions.
- **Jhabban Lal DAV Public School** | Head Prefect / Student Council
 - *September 2023 – April 2025*
 - Led student body initiatives, managed institutional responsibilities, and communicated effectively across teams to coordinate school-wide programs.

PROJECTS & OPEN SOURCE

- **Full-Stack Web & Data Applications (@Riyanshu08)**
 - Developed and maintained public repositories leveraging modern frontend frameworks (React, Next.js) and robust backend architectures (FastAPI, Node.js, Python).
 - Integrated database management systems (MySQL) and automated API workflows to build optimized, high-performance web applications.

EDUCATION

- **Guru Gobind Singh Indraprastha University (GGSIPU), Delhi**[cite: 3]
 - Bachelor of Technology in Computer Science & Engineering (Data Science - CSE-DS)
 - *August 2026 – June 2030*
- **Jhabban Lal DAV Public School, India**
 - 12th Grade – PCM with Computer Science
 - *May 2023 – April 2025*

CERTIFICATIONS & ADDITIONAL SKILLS

- **Certifications:** HP LIFE, Knowledge Gate
- **Core Competencies:** Leadership, MySQL, AI for Beginners, Team Management
- **Languages:** English (Full Professional), Hindi (Native / Bilingual)
